**Fall sports - much to celebrate!** The Stars volleyball, girls soccer, boys cross country, football, and girls tennis teams all secured their respective conference/division titles, and the swim team had multiple personal bests. Senior Colin Kaster qualified for the Class AA Cross Country State Championships. Additionally, Stars football (pictured below), led by Coach Jim Gunderson, won the Section 5AAAA Championship in early November, earning a State Tournament berth for the third consecutive year. After a tough loss in the State quarterfinals, they finished the season 7-4.

## *Dear Friends of Academy of Holy Angels,*

This time of year, we are especially mindful of our many blessings that come from a God who loves us and promises to always be with us in our journey of life. In this edition of the Communiqué, a common thread you will read about is blessings - abundant blessings.

You will find our 2021-22 Annual Report that highlights your generosity during the past fiscal year, as together, we strengthen our rich history of Catholic education that dates back to the Sisters of St. Joseph and their founding of Holy Angels in 1877. Similarly, the stories of our current students and alumni carry with them that same tradition and reflect how, as a school, we are blessed with the opportunity to nurture young people in a faith-filled environment. Together, we watch with joy as our leaders of tomorrow develop their interests and abilities. All of this is made possible by the many people we acknowledge in the Annual Report, as well as the selfless dedication of administrators, faculty, staff, parents, students, alumni, grandparents, friends, volunteers, and many more.

There has been much time and effort spent by the Board of Trustees working towards the Vision 2026 Strategic Plan

announced last year and current work towards a Master Campus Plan. Both of these initiatives look to the future in ways that promise to provide a vision of excellence and robust opportunities for current and future generations of Academy of Holy Angels students.

We remember our blessings of the past and count our blessings of today. We extend our sincere gratitude to you for your ongoing support of Academy of Holy Angels and celebrate all that we do together to share the light of God's love in our world today!

Wishing you a wonderful Advent season and new year ahead!

# Girls Soccer Takes Home the Title!

On Friday, November 4, the Academy of Holy Angels (AHA) girls soccer team, led by Coach Dave Marshak, won the Class AA State Championship at U.S. Bank Stadium. It was a closely fought match against Mahtomedi, who was the number one ranked team and four-time defending State Champion heading into the final game. In the end, after a 1-1 tie in overtime, the game came down to a shoot-out. It was then that sophomore Briarleigh Dahl earned the game-winning goal to win the title, the program's second State Championship. Their first state title was in 2003.

## Building Upon Previous Seasons

Coach Marshak, who also works as a social studies teacher at AHA, has been the head varsity coach

since 2007. The Stars girls soccer program - at all levels of play - has a strong reputation. The team has played in the last five consecutive State Tournaments and had two recent Miss Soccer players (Mia Van der Heide '20 in 2020 and Cat Duffy Shaw '21 in 2021).

Although they graduated some key players, the team was highly ranked all season. The Stars finished the regular season with a 20-2-0 record and continued to gel into the postseason, working with 14 returning players and eight new players, including three freshmen. At a recent send-off pep fest prior to the State Tournament, Coach Marshak commented, "It takes a lot of dedication to get here. While many of you were resting or

visiting colleges over MEA Break, these girls were here, on campus and working hard."

The Stars had the perfect mix of experience, youth, talent, and motivation. Senior captains Chloe Sandness, Madden Smith, and Steph Goedde and junior captain Audrey Garton kept the team focused throughout the tournament run. Marshak said, "They felt like they had something to prove after being so close so many times before, and prove it they did."

### Success Off the Field

The Stars are not only dedicated to their sport; the team commits to their coursework as well. The 22 players on the varsity team hold an average grade

point average of 3.66. Additionally, senior Kate Van Sloun and junior Ingrid Kuhfuss were named to the All-Section Academic Team. Principal Heidi Foley shared, "This team's on-field and off-field accomplishments are remarkable. As students, they hold very high standards in order to achieve a 3.66 average GPA. This is a wonderful example of the dedicated student-athletes at AHA."

To close out the season, the Stars will take a break from their well-deserved celebrations to complete the team's Faith in Action service project together, making blankets for those in need.

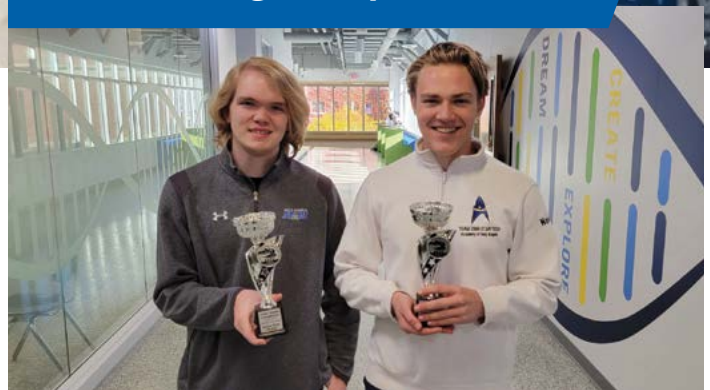

## National Hispanic Heritage Month

At Convocation on October 6, a group of AHA students presented about their respective Hispanic cultures, highlighting interesting facts, traditions, religious observations, and foods from their countries of origin and descent, including Mexico, Ecuador, and El Salvador. In closing, the students performed an energetic compilation of traditional Hispanic dances and music.

## Drone Racing Champions

Seniors Kellen M. and Gordie N. recently received their first place trophies for the Pairs Championship at the Spring State Tournament for the Youth Drone Sports Competition. Kellen, Gordie, and the rest of the team are excited to begin this year's drone racing season which kicks off at the beginning of December and is moderated by science teacher Jason Hall.

# Stars Spirit!

**It's been a fun-filled start to the 2022-23 school year! The student body has been celebrating many new and returning traditions together. Pictured, students cheered on the teacher-versus-student volleyball match at the Homecoming pep fest in September.**

## College Board Recognition

Congratulations to these students who were recognized by the College Board based on their PSAT scores taken in the fall of 2021. They were all honored by Principal Foley at our all-school Convocation and gathered afterward with families and faculty in the Parlor. Pictured, left to right: Gordon Novak - National Merit Competition semifinalist, Ben Ritz - National Merit Competition commended student, Ben Ertl - National Merit Competition semifinalist, Naomi Hayft - National Hispanic Recognition, and Matthew Foley - National Merit Competition semifinalist.

## Faith in Action

The Stars volleyball program collected personal hygiene products for those in need and donated them to Catholic Charities of St. Paul and Minneapolis. The varsity team won their second consecutive Tri-Metro Conference Championship this fall.

## Starlight Productions

Directed by Gregg Sawyer, Starlight Productions is the performance wing of AHA's Theater School, a four-year program in the performing arts within the general curriculum. Pictured is the cast and crew from the fall show, *You're a Good Man, Charlie Brown*. The theater program provides students with professional experiences in acting, costuming, lighting, and set construction and serves 150 students annually.

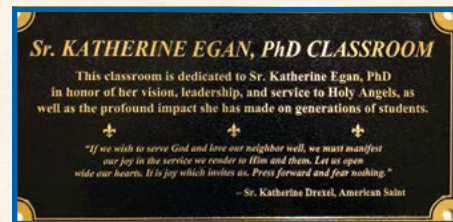

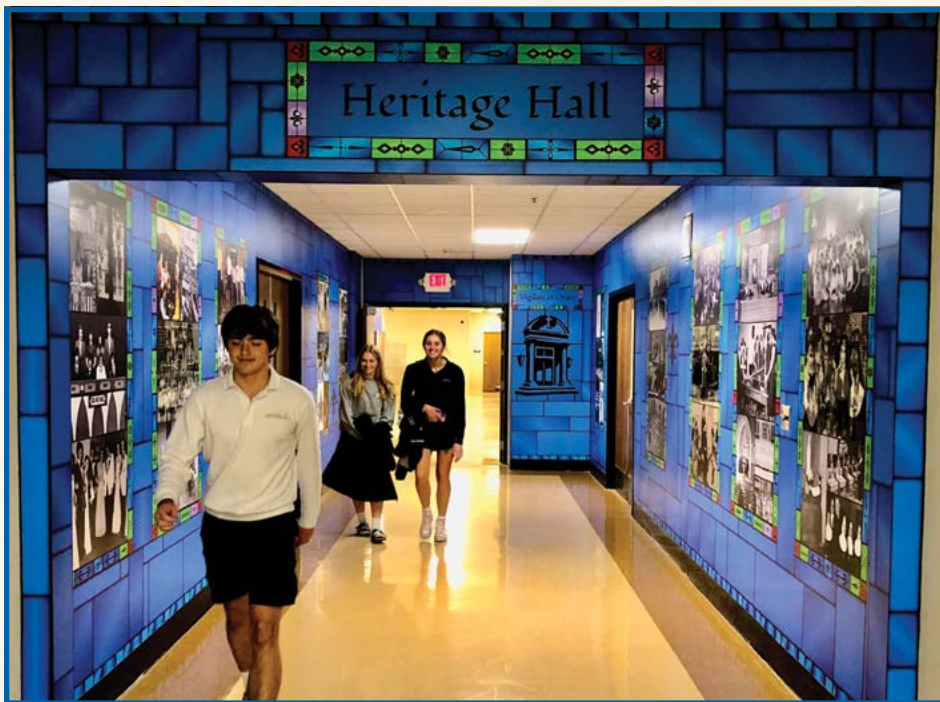

# Celebrating AHA's History

## Happy Birthday and congratulations to Holy Angels!

We are marking two important milestones in our history this year. First, the Academy of the Holy Angels was established on Sept 15, 1877, so we are now 145 years old! We have deep gratitude to the Sisters of St. Joseph of Carondelet for their vision and courage and for moving us to Richfield 91 years ago. Second, this year we mark 50 years of co-education. God has been so generous with Holy Angels!

Just in time for AHA's 145th birthday, Heritage Hall was completed during the summer of 2022. This beautiful display honors AHA's rich history, our founders the Sisters of St. Joseph, teachers and our beloved alumni. Next time you are on campus check it out on 2nd floor just outside the theater. A big thank you to AHA teacher Steve Werle and staff member Erin Blauert who were instrumental in its design!

## An AHA classroom dedicated to Sr. Kay Egan

Thank you to alumna Judy Rauenhorst Doerr '70 for her thoughtfulness and generosity in dedicating a 2nd floor classroom to honor Sr. Kay Egan (Sr. Noel) for her remarkable contributions to Holy Angels. In a ceremony and prayer service attended by alumnae and the CSJs, Judy shared a poignant reflection about Sr. Kay and how her strong leadership, tireless service and vision sustained Holy Angels during some very challenging and pivotal times in our history. Congratulations Sr. Kay!

*Sr. Carolyn Puccio CSJ, Judy Rauenhorst Doerr '70, Sr. Kay Egan CSJ, JoAnne Boche '59*

## AHA's most important student honor

AHA recently created Mary Medal and Thomas More plaques to honor those seniors who, voted on by their class, best exemplify the quality of Christian life. The Mary Medal began with the class of 1955 while the Thomas More award was given the first year there was a boy in the class, 1974. The plaques are prominently displayed on the second floor just outside the main office. Check it out the next time you are on campus! The Stars in this picture are legacy children.

# Alumni back on campus!

This fall we were thrilled to see so many alumni coming back to visit and catch up with teachers, attend games and to enjoy our special events. Here are just a few examples.

## Homecoming 2022

What a Homecoming week! It was wonderful seeing so many alums taking in the fun and cheering on our Stars with their families!

Hall of Famers, Randy Nelson and Kerry Graczyk Marshall '93 and their fan club!

Derek Michalski '06 and his girls!

## Alumni Soccer

The 2022 alumni soccer game was cut short by a thunderstorm, but it did not prevent this talented group from scoring a few quick goals against the varsity team and gathering for some fun and laughs post-game in the AHA locker room.

## You're a Good Man, Charlie Brown Reunion

AHA Theater Director Gregg Sawyer offered a reunion opportunity to the 1990 cast and crew of *Charlie Brown*. Several members gathered for a pre-show reception, then stayed for the production of *You're A Good Man, Charlie Brown*. After the show these alums spent some time visiting with this year's cast and crew.

*Could this be Casimir and his friend approaching 66th and Nicollet?*

# A Promise Fulfilled

Mary's Falenczykowski Tanghe's '62 grandparents were immigrants from Poland and Czechoslovakia. Mary's father Casimir learned English when he was eight years old. He was determined to succeed in America and his dream was to fly airplanes. After high school he enlisted in the US Army, hoping to become a pilot. However, he didn't have the needed educational background from his small country school, so he was not selected for pilot training. So instead, he served as an aviation radio operator and upon his discharge from the service he was able to take flying lessons and become a licensed pilot on his own time. Casimir achieved his dream when he was hired by Northwest Airlines in 1942, shortly after his marriage to Susan Sestak.

On his way home from that early interview at Northwest Airlines, he and a friend drove west down a dirt road called 66th street. As he and his friend approached Nicollet Avenue he noticed a stately and beautiful building that seemed to grow right up out of the corn fields. As

he looked at its beautiful front façade and the fledgling trees on the front lawn, he asked his friend what the building was. His friend replied that it was a newly built all-girls Catholic school called the Academy of the Holy Angels.

Casimir's response to his friend was "If I ever have a daughter. I will send her there." Mary was born in 1944. The Falenczykowskis raised their five children in Richfield, a stone's throw further west from where Casimir made that promise. And all five of the children attended St. Peter's Catholic grade school and Mary went on to attend Holy Angels Academy.

Casimir went on to become one of the first 747 captains for Northwest Airlines. The cockpit of one of those first NWA 747's that he flew is now on display at the Smithsonian National Museum of Air and Space.

Mary, the oldest, excelled at school, having a keen eye and plenty of ability in the sciences. She graduated in the AHA Class of 1962. Mary benefitted from the education she received at AHA and from the excellence of her wonderful, talented

teachers, including Sister Irenaeus, Sister Mary Aloysius and Sister Marie Richard.

After high school, Mary went to the College of St. Catherine and later to the University of Minnesota Medical School. Both Mary and husband Jan were medical doctors and worked together for many years. Mary was a general practitioner and Jan a gastroenterologist. They raised six boys in Edina.

## The Mary Falenczkowski Tanghe '62 and Jan Tanghe Scholarship

In the Fall of 2022, Mary and Jan visited Holy Angels to set up a need-based scholarship to help high-need students from Blessed Trinity grade school who, without financial support, could not afford the tuition at AHA. Their gift will provide significant financial support annually for five Holy Angels students. Mary and Jan have asked the AHA scholarship committee to be on the lookout for students who they themselves (or whose parents) prioritize a service career in disability services, the military, law enforcement, fire fighters, first responders, or health care.

The Jan and Mary Falenczykowski Tanghe's '62 scholarship is one of over 35 named scholarships that provide much-needed financial assistance to our awesome STARS!

# Leave a Legacy at Academy of Holy Angels

Written by: Jesse Foley '89

The call was unexpected but the news was very good - and it came with a special story. The alumna on the line called to let us know that she and her husband had made provisions in their will for Holy Angels. The amount of the gift would be significant, and the thoughts of how this future gift would someday benefit AHA students was overwhelming.

Taking it all in, I asked this alumna what motivated her to help AHA in this extraordinary way. She told me that she was the youngest in a family with several daughters. Her older sisters all attended AHA. Her father was a physician in Minneapolis and for many years he attended to the medical needs of the CSJ sisters. He did so without charge to them.

Unfortunately, her father died before she was old enough to enroll at AHA. The CSJ community wanted her to follow her sisters at AHA. Thus, in appreciation for her father's many years of service to them, she was able to attend AHA, without payment of tuition. She was very pleased with her AHA education, having graduated more than 60 years ago. She also made many friendships that continue to this day. In addition to her annual gifts, she wanted to provide a more substantial

legacy expressing her gratitude to AHA. She went on to say that recently she has had the pleasure of many visits to the campus where she has been a spectator to the activities of two of her grandchildren who attend AHA.

In my work at Holy Angels, it's been incredible to witness those who give generously to ensure that the school continues to thrive. Many of these good people share with us that they invest in AHA due the gratitude they have for the education they or their children received.

The AHA Legacy Society was officially established in 2004 to recognize those who had made this commitment known. Since that time, over 100 donors have joined. Over the years, these gifts have funded need-based scholarships, capital projects (like the 2021 iCenter for STEM Education), and have recently played a role in building our permanent endowment, which was established in 2014.

## What do legacy gifts do for Holy Angels and for our students?

Here are some ways:

- First, when legacy gifts are placed in AHA's permanent endowment, they have the power to ensure that our mission will remain active for generations to come. It puts AHA in a solid place where, despite changes to economic conditions, trends in education, fluctuations in enrollment, and the storms and challenges that inevitably arise - our school will sustain and continue to thrive.
- Second, legacy gifts often help to ensure that students from middle or lower-income families may access the incredible Holy Angels education.

- Last, legacy gifts allow AHA to keep our beautiful French Gothic building and campus in excellent condition and able to effectively serve the next generations of students.

## Would you join the Holy Angels Legacy Society?

My wife Annie and I decided to join the Legacy Society in 2017 because making provisions for our alma mater is of great importance to us. Using a codicil (amendment) to our current will, the process was straightforward and simple.

We hope you will prayerfully consider joining the AHA Legacy Society. You do not need to be wealthy to make an impactful contribution. The more stakeholders who do, the better we'll be at serving our amazing students for generations to come.

For additional information, to get a copy of a codicil form, or to notify AHA of your plans, please contact Jesse Foley '89 or Brian McCartan.

# Reunions Return

The AHA **Class of 1957** gathered for their 65-year reunion on June 8. A big thank you to the reunion planners Martie Trader Glockner and Carolyn Smisek Lawler and the many volunteers who worked so hard to make it such a fun and meaningful event!

The **Class of 1972** celebrated their 50-year reunion on Sept 10. A big thank you to the planners Mary Severson and Gail Klatt and the host Kathleen Blatz '72. In addition, a shout-out to AHA teacher Gregg Sawyer and our AHA students for providing some lovely entertainment. The class very much enjoyed spending time with the many CSJs were able to attend.

The **Class of 1997** celebrated their 25-year reunion in August.

The AHA **Class of 1992** gathered as a class twice in 2022. First, at Rock the Lawn on June 25, then in September at the home of Annie Juettner Foley '92.

## Remembering Father Mike Byron

The Father Mike Byron Memorial scholarship was established in the fall of 2022 as a way to honor Fr. Mike who passed away in the spring of 2022. Father Mike was a caring supporter of all students and a valued faculty member and friend.

The scholarship is awarded to a student with financial need and a demonstrated interest in service to others. If you would like to contribute to the Father Mike Byron Scholarship, or any named scholarship contact the AHA Advancement office.

The **Class of 1962** celebrated their 60th Class reunion at the Holy Angels Calling all Angels luncheon on May 13th. They were very thankful to all the “darling students” who served them at the luncheon. After the luncheon everyone gathered at Rita Fox’s home and continued the conversations.

# Generations of Bachmans beautify Holy Angels

*“Go, my children, with my blessing, never alone.  
Grow in love and love by serving, joyful and free.”*

*(These beautiful words are etched on the stones that line the newly designed flower bed)*

A heartfelt thank you to current parent Karen Bachman Thull for her generous gift in redesigning and providing the many beautiful trees and perennials for our historic front sign flower bed. Karen is the fourth generation of five in her family to help AHA's grounds look beautiful. Below is a reflection from Karen about the special connection between Holy Angels and Bachmans, two of the oldest organizations in our area.

*Bachman's began as a vegetable farm at 60th and Lyndale in 1885 in what used to be Richfield. Henry Bachman Sr., my great, great grandfather, instilled the values of hard work, faith and community with his growing family and*

*business. Two generations later, my grandfather, Lloyd Bachman, used to tell me stories of helping plant tulip bulbs and maintain the garden beds of the Sisters of St. Joseph at the Academy of the Holy Angels. He enjoyed the short jaunt over to the campus at 66th and Nicollet to visit with the Sisters and to meet the girls who were there. Grandpa maintained our vegetable farm with his siblings and cousins, but his passion was flowers. It brought him joy to help the Sisters of St. Joseph and others grow beautiful blooms.*

*There are so many reasons to celebrate the Academy of Holy Angels - great students, dedicated families, incredible teachers and staff, a remarkable, historical campus, the list goes on - this is one way that my family could help bring beauty to life and continue to celebrate our vibrant community. The stones in front of the monument sign are etched with lyrics from one of my favorite hymns. It reads: “Go, my children, with my blessing, never alone. Grow in love and love by serving, joyful and free.” That is my hope for all the families that have the opportunity*

*Karen with husband Matt and children Lauren '21, Hannah '23 and Vincent '23*

*to pass through AHA - to grow in love and love by serving others. I think that plants, flowers, trees, and shrubs can help us remember that.*

*~Karen Bachman Thull*

From AHA alumna Margaret Sullivan O'Connor '82 regarding the new design: “A great big thank you to Karen Bachman Thull and her family for their generous gift of re-landscaping the garden around the AHA sign on the front lawn, which is my brother's memorial. My family really appreciates the thoughtful planning that went into the landscaping which perfectly incorporates the tradition into their plans.

# Alums Doing Great Things

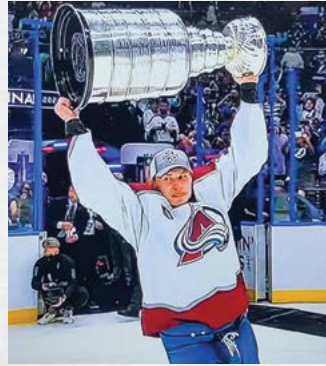

Alumna **Kirsten Baetz Willenbring '00** joined the Bloomington Fire Department in October 2000 as a volunteer fire fighter. Kirsten responds to all types of calls, alarms, medical situations, fires, and car extractions. Kirsten's fulltime job is an RN in a post-anesthesia care unit.

**Gavin Kaysen '98** and **Larry Fitzgerald '01** recently reunited to support VEAP, an organization with one of the largest food pantries in MN. "Taste Fore the Tour" brought together leaders in the culinary space with folks from the sports world to raise money for VEAP food

pantries. From Larry about Gavin "I'm not surprised at all to see his level of success with that type of work ethic and humility. James Beard award winner and just getting started! Keep shining my friend."

Congratulations to Developer **Andy Bollig '14** who was selected as one of Finance & Commerce's Rising Young Professionals for 2022! In his three years at Roers Companies, he has contributed to almost \$400 million in development. Andy will be honored at an event in December.

Congratulations to former AHA Star **Erik Johnson** on winning the Stanley Cup! Erik helped lead the Colorado Avalanche over the Tampa Bay Lightning.

Alumni **Daniel Alimo '19**, was the keynote speaker at the Aim Higher Night of Light event on October 7. In his moving speech, Daniel described the incredible difference Catholic education has made in his life and expressed his gratitude to Aim Higher, Nativity of Mary, the Flaherty Family Foundation and AHA for what they've done to build his foundation for the future. From Daniel "I am deeply grateful for your generosity, and I promise to give back and leave an everlasting impact on earth for the greater benefit."

**Dushani Mallawaarachy Dye '89** was named one of Minneapolis-St. Paul Business Journal's CFOs of the year! Dushani is the City of Minneapolis Chief Financial Officer and is among a group of 19 financial executives who have been honored. Nominees were evaluated by a panel of financial professionals who scored them on contributions to their organizations and the community.

Congratulations to AHA Alum **Connor McGinnis '15** who was ordained to the priesthood on May 28 by Archbishop Bernard Hebda. At age 25, Father McGinnis is the youngest priest in the archdiocese. Former AHA teacher Sue Weberg was able to attend Connor's ordination and was honored to receive his priestly blessing from her former student!

# From the President

## Dear Academy of Holy Angels Community Members,

I am excited and honored to be able to share with you the 2021-22 Annual Report included in this Communiqué. What this report provides is an opportunity to share the metrics of your support and how each and every gift truly impacts the lives of our students, faculty, and staff. The achievements of our students and faculty this past year has been remarkable, both in and out of the classroom. The typical benchmarks of student progress remain high with standardized testing and Advanced Placement (AP) involvement reaching beyond previous years. Specifically:

- During the 2021-22 school year, 290 students took 561 AP exams;
- The class of 2022 received \$16.1 million in scholarships and accepted \$5.4 million in college scholarships;
- In 2022, one AHA student was named a National Merit Scholar and six additional students were named Commended Scholars. One student was named a National Hispanic Scholar;
- The composite ACT test score for the Class of 2022 was 26.1 which is considerably higher than both state and national averages; and,
- 96% of our students participated in co-curricular activities highlighting school involvement.

AHA's recognition as a School of Distinction by Cognia, a global education accreditation agency, has validated our system-wide efforts as we strive to be a leader in values-based college preparatory education. Cognia represents 39,000 public and private schools worldwide, setting standards for school assessment, improvement, student

engagement, effective learning environments, and data uses. This recognition is impressive, but more impressive is the support by every member of the AHA community who invests in our school partnered with the dedication of our faculty. The difference they make and the impact they have is paramount to the success of our students.

The 2021-22 audited financial results once again tell the story of a fiscally sound institution. For the 11th year in succession, Academy of Holy Angels has presented a balanced budget and through strong financial stewardship, showed an excess at year end. Our debt service has been slowly reduced, and we project a debt-free budget in the 2024-25 school term. The school's Vision 2026 Strategic Plan highlights a number of focus areas, including increasing financial capacity to assist families in making an AHA education affordable through enhanced financial aid. In addition, keeping class sizes at minimums to enrich the learning opportunities for students is key. Watch for a new Campus Master Plan draft that is currently in committee work and will be available for public consumption in 2023.

In closing, thank you for your faithful support of Academy of Holy Angels. May God bless each of you and your family this Christmas season and in the year to come.

With gratitude,

**Tom Shipley, President**

## Thank you, President's Star Council Members

The President's Star Council (PSC) is the AHA major annual giving recognition society. The PSC recognizes donors who have contributed \$1,000 or more during the 2021-22 school year. The PSC and its 400+ members donate 90% of the contributed funds AHA receives each year. We are grateful for their support.
